Dear Nonprofit Leader,

The Center for Nonprofit Success is pleased to invite you to the Fundraising Summit taking place in San Francisco on October 27-28, 2009. Over 350 nonprofit leaders attended our Summit last year, and came away with real world solutions to the fundraising challenges that they were facing. This year we have expanded the schedule to include many new sessions. Attendees can also register for one-on-one mentoring sessions with the speakers to get answers to specific questions not addressed in the seminars. You can learn more about this year's Summit by going to:

We are still recruiting some speakers for this event, and if you are interested in speaking in one of the sessions, please see below.

We look forward to you joining us at this exciting event.

Sincerely, Amanda Hope
